Payment covering the sale of work will be made to the artist within 2 months after the closure of the exhibition. EFT is the preferred method and if not previously supplied, SQ will request you provide your bank details to facilitate the payment.

If on installation a sculpture is deemed unsafe by Gardens management, it is to be made safe or removed immediately upon being notified.
15. Thursday 8th of June from 9-12am has been allocated for installation of outdoor sculptures. Mt Coot-tha Gardens will only accept work installed at this time. This is not negotiable. 18. Plants cannot be moved or pruned to accommodate the artwork and while the Garden Staff will take all care, they are not responsible for the safety of any sculptures on display. Any damage that may occur is the responsibility of the exhibiting artist.
19. Artists exhibiting sculpture on the lagoon must provide their own means for installing and anchoring the work which may include inflatable or rigid water craft or waders.
20. An 'invitation only' extended outdoor exhibition will be available to selected artists with approval from Mt Coot-tha Gardens management and SQ Exhibition Coordinator.
21. All indoor and outdoor Sculptures must be removed on the agreed date.
22. Any artworks that are not collected may be deemed by the Committee to be a donation to Sculptors QLD, and may be removed and disposed of by the SQ Committee as it sees fit.
23. Insurance is the sole responsibility of the artist. All risk for the artwork remains with the artist, including the installation and removal of the sculptures. We strongly advise that artists entering work for the outdoor exhibition create work that is not easily removed, damaged or dismantled.
24. BCC Mt Coot-tha Gardens and SQ and its members do not accept any responsibility and shall not be liable for any damage or loss to sculptures.
25. Should any dispute arise for which no specific ruling has been laid down, the committee's decision will be final and no correspondence will be entered into.
