

NORTHSHORE SCULPTURE HUNT

Enjoy our family-friendly interactive sculpture hunt and discover hidden gems of Northshore as you create your very own piece of art and contribute to our community sculpture.

As you explore the artists creations, follow the map for your next treasure destination.

Unlock the brightly coloured box to find the parts that will help you create your own contribution to the Northshore Community Sculpture.

Decorate and tie on your little fish onto the sculpture frame and watch it evolve over the course of the exhibition.

Kindly supported and created by the men from the Northshore Men's Shed.
