Please state your availability at the appropriate page on your entry form. A Roster will be formed, and you will be notified. We will endeavor to give you your first preference however this may not always be possible.

Entry Form

Financials

10. A fee of \$30 is charged for each sculpture entered. Due to space in the Auditorium, if too many entries are received, a refund will be given, if your 3rd piece cannot be exhibited.

11. All artwork must be for sale and the total price must include GST (if applicable) and commission of 20%. Payment for sale of work will be made to the artist within 2 months after the closure of the Exhibition by EFT to the artist's bank account.

Outdoor pieces

12. Large sculptures to be exhibited in the Gardens must have one measurement greater than 80cm and be securely fastened to the ground. Dimensions and weight must be clearly stated on Entry Form where required. Smaller robust outdoor sculptures are permitted but will be exhibited in the Bromeliad Enclosure for safe keeping as well as the fern garden. Sculptures for the Outdoor exhibition are to be installed, exhibited and removed by the sculptor in accordance with the Gardens' approval or direction of Gardens staff. If on installation, a sculpture is deemed unsafe by Gardens management, it is to be made safe or removed immediately upon the sculptor being notified before he/she leaves the site.

13. Thursday 16th May from 9 –12am is allocated for installation of Outdoor sculptures. Mt Coot-tha Gardens will only accept work installed at this time. This is not negotiable. Staff will not be available to approve the installation of work outside these hours. Depending on the number of sculptures entered for this year's Exhibition, we may have to negotiate installation over 2 days. You will however, be notified about any change to the current procedure.

14. The final location of each Outdoor sculpture will be as directed by Mt Coot-tha Gardens staff. All sculptors are required to sign in at the Administration Building so that the Head Gardener can be informed of arrival. Should your vehicle be required to drive into the Gardens, you must be accompanied by Gardens' staff. Any concerns or questions the artists may have before or during installation must be directed to the Exhibition Coordinator for SQ, who will be in attendance. Artists shall not consult with Garden staff directly, unless instructed to do so.

15. The safe installation of the work is the responsibility of the artist. All outdoor sculptors are requested to have an excellent system of stabilizing their work that has been tested beforehand. The artist is to ensure that the work is appropriately secured in position, does not encroach on pathways and is not in any way attached to plants or signage.

16. Insurance is the sole responsibility of the artist. All risk for the artwork remains with the artist, including the installation and removal of the sculptures. We strongly advise that artists entering work for the Outdoor exhibition create work that is not easily removed, damaged or dismantled. BCC Mt Coot-tha Gardens and SQ and its members do not accept any responsibility and shall not be liable for any damage or loss to sculptures.

17. Plants cannot be moved or pruned to accommodate the artwork and while the Garden Staff will take all care, they are not responsible for the safety of any sculptures on display. Any damage that may occur is the responsibility of the exhibiting artist.

18. Artists exhibiting sculpture on the lagoon must provide their own means for installing and anchoring the work. This may include inflatable or rigid water craft or waders.

19. An 'invitation only' extended Outdoor exhibition will be available for 3 months to selected artists with approval from Mt Coot-tha Gardens management and the SQ Exhibition Coordinator.

Removal

20. All Indoor and Outdoor Sculptures must be removed on the agreed date. Artworks that are not collected when required may be deemed by the Committee to be a donation to Sculptors QLD and may be removed and disposed of by the Committee as it sees fit.

21. Should any dispute arise for which no specific ruling has been laid down, the committee's decision will be final, and no correspondence will be entered into.
